SOLUTION: Expertise Reporting With Monsido
Mark and Eric are both administrators on the San Francisco Opera's website and oversee the IT team responsible for maintaining their website. The San Francisco Opera is committed to providing a world-class digital experience for patrons of all ages and abilities, and uses Monsido to ensure compliance with legal and regulatory requirements and to meet the needs of their diverse patrons.

PROBLEM: The Search for an Easy-to-Use and Affordability Tool
Ben Black is San Francisco Opera's Chief Information Officer. He knew that the team had to take the next step in their website management and maintenance efforts to stay competitive in the industry. They needed a tool to help support their efforts. Being a not-for-profit organization makes it even more important to find a cost-effective solution that can help improve their website's accessibility and usability.
